

Frequently Asked Questions (FAQ)

How do I reset my password?

Go to the login page, click on 'Forgot Password', and follow the instructions sent to your registered email address.

How can I change my email address?

Navigate to Account Settings, update your email address, and verify it using the confirmation link sent to the new email.

How do I contact customer support?

You can reach customer support via the Help section in the application or by emailing support@example.com.

What is your refund policy?

Refunds are available within 14 days of purchase, provided the service has not been extensively used.

How do I cancel my subscription?

Open Billing Settings and click on 'Cancel Subscription'. Your access remains active until the current billing cycle ends.

Can I upgrade my plan?

Yes, you can upgrade your plan at any time from the Billing section of your account dashboard.

Is my data secure?

All user data is encrypted both at rest and in transit using industry-standard security practices.

Do you support multi-language access?

Yes, multiple languages are supported and can be selected from user preferences.

How do I delete my account?

Account deletion can be requested from Account Settings. This action is permanent and cannot be reversed.

What payment methods are accepted?

We accept credit cards, debit cards, and selected online payment gateways.

How often is my data backed up?

Data backups are performed daily with a retention period of 30 days.

Can I use the service on mobile devices?

Yes, the platform is fully responsive and works on mobile browsers.

What should I do if I encounter an error?

Try refreshing the page and repeating the action. If the issue continues, contact support with the error details.
